FAR EAST COMMAND

GB/JHP/rep

OUTGOING MESSAGE

16 December 1950

3819

FROM: CINCFE TOKYO JAPAN

TO : CG ARMY EIGHT . . . . . PRIORITY

161407

INFO: CG X CORPS . . . . . PRIORITY

CG FEAF . . . . . PRIORITY (COURIER)

COMNAVFE. . . . . PRIORITY (COURIER)

C X 51430 For G-2. Reference intel annex to Opn Order Nr 5, 10 Dec 50, Par 2, Essential Elements of Information. Essential information required under subpar a, b and d of quoted reference is not in sufficient detail to enable this command to properly evaluate the current situation. Such info must be obtained by all means available.

It is desired that Eighth Army initiate appropriate reconnaissance on the front of I and IX Corps along probable routes of enemy advance to establish contact, obtain identifications, and determine locations of enemy forces these areas. PWs will be secured for priority interrogation. Other means of satisfying above requirements encouraged at your discretion. Considered here Air and Navy can materially assist you this project.

This Hq making intensive efforts by all means available to determine information required above; will forward anything pertinent as received.
